

FOLB Meeting Minutes

Friday 24th March 2017 9am

A warm welcome to our new members Michelle Frost (MF) and Rachael Chambers (RC) – both are Mums of nursery pupils, with superb connections which we are sure will benefit the group activities and the school immensely.

With regards to employee match funding, despite communication to parents via school newsletter, we have been unable to identify any potential match fund partners. The communication was not to avail as Miss Gordon was contacted by a parent whom may be able to assist with procurement of materials to support the outside provision / playground improvements.

Improvements to our playground and outside provision remain high on Miss Gordon's (SG) agenda. Progress is being made, enquiries are out to tender and FOLB will be advised shortly regarding funding requirements / developments. SG will distribute a listing of required materials once finalised with the view to parents / carers obtaining using friends and family 'supply chain'.

Date of Next Meeting: Friday 12th May, 2017 @ 9am (meet in reception)

All Welcome – please come and join us
