

Lee Brigg Infant and Nursery School Sports Premium Grant 2016 -17

Rationale

Since 2013 the Government has provided £150 million per annum to schools to improve pupils' participation in quality PE and sport and to impact on the health and wellbeing levels of future generations.

The funding is jointly provided by the Departments for Education, Health, and Culture, Media and Sport. All funding comes directly to schools. Each school has the freedom to spend it in a way which will have the greatest benefit for its pupils. School Leaders and Governing Bodies are accountable for reporting on how the funding allocation has been spent and the impact on pupils' health, wellbeing, and enjoyment as well and increased learning opportunities.

Funding allocation 2016 -17

In the 2016 – 2017 financial year Lee Brigg Infant and Nursery School have received **£8425** sports premium grant funding.

Our main objectives are to develop the physical and mental well-being of all pupils.

Aims for pupil premium spend 2016-2017

Our aims are to:

- Raise teacher skill level in specific aspects of PE teaching
- Continue to increase engagement and activity at lunchtimes and playtimes
- Increase the competitive aspects of PE through regular inter school sporting competitions and challenges
- Embed the Change4Life initiative with a specific focus on healthy eating
- Enable the Health and Wellbeing Leader to monitor and evaluate impact of new initiatives
- Introduce yoga in school lessons and after school clubs to enhance pupil mental wellbeing.

In the academic year 2016-17 we propose to spend the allocated SPG in the following ways.			
Initiative	Cost	Objective	Evaluation of impact and outcomes
To use the specialist games teacher and the specialist gymnastic teacher within school, to work with teachers across school to develop subject knowledge.	£1200 for cover costs for one afternoon per week over twelve weeks	The specialist games and / or gymnastic teacher, (dependent upon individual staff needs), will team teach with the member of staff to improve knowledge of progression of skills for their year group.	
To continue to employ two specialist play leaders.	£4944 for two play leaders per year.	To increase opportunities for fun, planned physical activity at lunchtimes. To reduce incidents of low level behaviour, thus improving the sense of wellbeing and community.	

		<p>To encourage team activity and social interaction, mirroring expectations from structured lesson times.</p> <p>To strengthen the school's behaviour policy by ensuring consistency throughout lunchtimes.</p> <p>To learn ways of engaging children in new games and sustaining motivation.</p> <p>To organise games that increase activity levels and enjoyment for children throughout lunchtimes.</p>	
To purchase resources for lunchtime activities – link to school council audit and evaluation.	£200	To replace PE and games equipment for lunchtime activities in order to continue to motivate and engage children, increasing participation in active games.	
To take part in interschool sporting competitions with local infant schools and with schools across Waterton Academy Trust.	£500 transport and teacher cover costs.	<p>To increase participation in competitive sports.</p> <p>To provide opportunities to apply skills, knowledge and understanding across PE disciplines.</p> <p>To enjoy the experience of competing and excelling at physical pursuits.</p>	
To purchase a school kit to use during competitions.	£100	To enjoy the experience of competing and excelling at physical pursuits and playing as part of a team.	
Health and Wellbeing Leader to attend regular networking and CPD events	£150	<p>To ensure effective and relevant monitoring of the quality of provision. To ensure school is applying current and 'best practise' thinking to the health, wellbeing and curriculum offer.</p> <p>To ensure school remains compliant with statutory requirements.</p>	
To develop role of health and well-being leader through CPD.	£300	<p>To introduce yoga for children both within the school day and as an after school club to promote a sense of mental well-being. The health and well-being lead will attend and cascade relevant CPD training.</p> <p>To begin to develop the school grounds by 'zoning' areas so that children have opportunities to be physically active as well as spaces for quiet reflection. The health and well-being lead will attend and lead this project in conjunction with the SLT.</p>	
To purchase resources to enhance the outdoor learning environment.	£1000	To develop a 'well-being' area within the school grounds for children to regularly access at playtimes, lunchtimes and during lesson times. This will include a space for quiet reflection as well as an area for growing fruit and vegetables to promote healthy eating.	

Total cost to date - £8394
