

Next week our sound of the week will be 'p'. Please encourage your child to bring an object beginning with 'p' to put on our sound table such as pig, pants and panda. You can help your child at home by pointing out items that have p as their initial sound.

Our number of the week will be 4. The children will learn the following rhyme to help them to recognise the number, 'down across and down some more that's the way we make a 4'. You can help your child by pointing out the numbers and shapes you see whilst you are out and about in the environment.

Next week's learning: Our key texts will be 'Alfie Gives a Hand' and 'Kipper's Birthday'.

The children will help to make Polly's birthday cake.

We will focus on shape when making a party hat and we will complete our invitations (these will be sent home next week).

Polly's party will take place on Tuesday 28th November during the nursery sessions. Party clothes can be worn on this day.

Please remember that you can view the Nursery newsletters on our school website and via the Parent Hub app. Please ask Mrs Armitage in the school office for details.

Christmas cake bake.

Next week the Christmas cake ingredient list will be placed in the cloakroom area. Please sign your child's name next to an ingredient that you would be willing to donate. Can we kindly ask that all ingredients are brought into school by Wednesday 29th November?

The children enjoyed their reward of tea and toast! Our new class target is to remember to always walk inside. Our reward for this target is to bring our favourite teddy or cuddly toy in to nursery for the day. We will let you know when the target is achieved.

Thank you for all your 50p contributions and for your continued support, enjoy the weekend.
Mrs Windsor and Mrs Hough
