Dear Parents and Carers,

Football

On Monday we took part in a football tournament with the other schools in the multi-academy trust. Well done to the children who took part, they showed great team work and determination!

Clay Workshops

We are looking forward to our clay workshops with parents over the next few weeks in Key Stage 1. If you have not already signed up for a session please speak to your child's class teacher. I know that the children are looking forward to demonstrating the skills that they have learnt.

Learning Journey Sessions

The learning journey sessions for Reception children parents started in school this week. Key stage 1 will start their sessions next week. Just a reminder that if you would like to sign up to a session, please speak to your child's class teacher. The sessions do not run like a parent's evening, but are a chance for your child to show you their work and the progress that they are making. You will also be able to chat informally with the class teacher about your child's next steps.

Anti-bullying Week

Next week is anti-bullying week in school, this is a National event recognised by many schools. During the week the children will take part in activities which promote tolerance and respect of others. We will be reiterating the message that bullying is not an occasional falling out or unkindness to others, which are dealt with through our behaviour policy in school, but the **repeated and consistent** hurting of others either physically or emotionally. This is an important message for both children and parents so that it can be dealt with effectively and through the anti-bullying policy which is available on the school website.

To start the week in school, on Monday we are inviting children to wear odd socks or colourful tights to school with their uniform, to promote the fact that we are all different and unique.

Class Assemblies

Unfortunately, due to the ongoing work on the hall floor, we are going to have to postpone our class assemblies for this half term. The hall will hopefully be up and running for events in time for the Christmas productions and we will plan for the class assemblies to take place early in the spring term.

Reminders

The final date to order school photographs through school is Wednesday 15th November. After this date they will have to be ordered via the Tempest website.

On Friday we are taking part in **Children in Need Day**. Children are welcome to come to school in non-uniform and as the theme this year is 'spotty and dotty' we look forward to seeing lots of 'spots and dots' in school.

After school clubs start next week and will run until the week beginning 11th December. There will be **NO** clubs in the last week of term.

School Christmas Fayre

The school fayre is taking place on **Thursday 30th November** at the Lee Brigg club from 3.30 p.m. The Friends of Lee Brigg are collecting clean, empty glass jars, as well as clean teddies for this event.
